Monteverde Friends School seeks: Grades 7-12 Science teacher (*one-semester leave replacement*)

Monteverde Friends School is looking for an experienced science teacher who is enthusiastic, student-centered, and excited to work in our small bilingual Quaker school. ***This is a one-semester position from August-December 2024*** while our permanent science teacher is on leave. Curricula will be provided with some flexibility for those with experience and knowledge in middle-high school science.

All of our science classes are taught in English.

The ideal candidate for this position will have:

- Knowledge of Biology, Chemistry, Physics, and Lab Sciences.
- At least two years of classroom teaching experience.
- Willingness to collaborate with classroom teachers, school administration, and other specialist teachers.
- Creativity and flexibility in solving problems, a sense of humor, and strong interpersonal skills that encourage cooperation.

Qualifications:

- Bachelor's degree, preferably in Science or an education-related field.
- Middle and high school teaching experience preferred.
- Intermediate Spanish language skills preferred.

Compensation & Benefits:

- Salary determined by step in the salary scale.
- Health care through the National Health System of Costa Rica (CAJA).
- Aguinaldo (Aguinaldo, equivalent to one-twelfth of the annual salary).
- Participation in the national teacher retirement plan (Teaching managed by Jupema). Benefits (compensation/retirement).

Send a resume, letter of intent, and a list of three references to: jobs@mfschool.org

Documentation submission deadline: **April 1, 2024**
